### [Some things to keep in mind](#)

**Videos/Photos:** we do our best to record shows but we do not have a photographer on staff. Feel free to take pictures and videos of your own. When posting on social media please tag us **@sawubonacreativity** and **#sawubonacreativity**.

We will share all pictures/videos with you via Dropbox (you don't need a Dropbox account to view photos/videos).

**Staffing/Volunteers:** there will be 3-4 adult staff members in the theatre: 2 teaching artists and 2 teachers aides.

**Participation:** performance can be a very vulnerable and scary thing. Your child may enjoy learning all about theatre arts, practicing and playing but they may not want to perform in a live show and that is okay. Students who choose not to participate in the live show may have the option of recording their performance to be shared during the show.

**Child sensory needs:** if your child has any sensory needs please ensure that they have the tools or items they need to be comfortable *ie:* students with noise sensitivities can bring/wear noise canceling headphones. We take several breaks throughout the day and we take a 1 hour lunch. We have an outdoor back patio where students can get some fresh air.

**Location:** We are located at 1935 E Passyunk Ave, Philadelphia, PA 19148 (corner of Juniper and Passyunk). There is metered parking along the street.
